[NO ORAL ARGUMENT PURSUANT TO
LOCAL RULE]

Hearing Date: October 14, 2008
Time: 10:30 a.m.
Courtroom: 1

21 I, James M. Austin, declare as follows:

23 1. I am a Customer Advocate in the Customer Advocate Unit of Sallie Mae, Inc.
24 (“Sallie Mae”). As such, I have personal knowledge of the facts and circumstances set forth below
25 or have gained such knowledge of them from my personal examination of the business records of
26 Sallie Mae maintained in the ordinary course of business. If called upon as a witness, I could and
27 would competently testify thereto.

1
2 2. During the period 1997 through 1999, Annisa R. Mayer borrowed a total of
3 \$93,038.00 in student loans. Specifically, Ms. Mayer executed the following promissory notes:
4

5 a. Ms. Mayer executed a promissory note, dated August 10, 1997, for a loan with
6 a principal amount of \$12,000.00. Subsequently, on October 7, 1997, a representative from the
7 University of California at Los Angles contacted Sallie Mae and requested that the loan amount be
8 increased to \$13,538.00.
9

10
11 b. Ms. Mayer executed a promissory note, dated August 10, 1997, for a loan with
12 a principal amount of \$18,500.00.
13

14
15 c. Ms. Mayer executed a promissory note, dated July 24, 1998, for a loan with
16 a principal amount of \$12,000.00.
17

18 d. Ms. Mayer executed a promissory note, dated August 21, 1998, for a loan with
19 a principal amount of \$18,500.00.
20

26 a principal amount of \$18,500.00.
27
28

1 3. Sallie Mae began servicing each of Ms. Mayer's loans at the time she submitted
2 each loan application for processing. Ms. Mayer's loan applications were processed on September
3 29, 1997; October 4, 1997; December 11, 1998; and November 8, 1999.

4
5 4. Ms. Mayer's loans went into default on January 24, 2005; January 25, 2005, March
6 09, 2005 and November 28, 2005, respectively.
7

8
9 5. Ms. Mayer's loans were not in default at the time Sallie Mae began servicing any
10 of them.
11

13 loans with original principal balances of \$12,000 each. Each of these loans were serviced by Sallie
14 Mae from their inception.
15

16

THE ORIGINAL

In this Note the words "I", "me", "my" and "mine" mean the above signed borrower and cosigner(s), unless the language specifically refers to only one or the other. "You", "your" and "yours" means the lender as listed on the front of this application and the holder of the Promissory Note.

C. PROMISE TO PAY

I promise to pay to the order of the lender or to a subsequent holder, according to the terms below, the sum of the Loan Amount Requested to the extent it is advanced to me, or on my behalf, which includes an amount equal to the insurance premium described below in paragraph H. (together the "Loan Amount"); interest accrued or capitalized on the Loan Amount as described in this Promissory Note ("Note"); late charges as provided in this Note; and, in the event of default, costs of collection and reasonable attorneys' fees to the extent permitted by law.

D. DEFINITIONS

- Interim Period** - The Interim Period will begin on the date my loan is disbursed. If I have an outstanding loan under the MBA LOANS program for a loan period beginning prior to July 1, 1997, my Interim Period will end on and include the last day of the calendar quarter following the earlier of the dates listed below. If I have no such outstanding loan, my Interim Period will end on the earlier of the dates as follows: (a) 6 months after I graduate or drop below half-time enrollment at an eligible MBA LOANS school, or (b) Three years after the date of my first disbursement of any Target Loan Program loans).
- Repayment Period** - The "Repayment Period" will begin on the day after the Interim Period ends. If I have an outstanding loan under the MBA LOANS program for a loan period beginning prior to July 1, 1997 and my loan balance is \$15,000 or less, my Repayment Period will continue for no more than 144 months. If I have no such loan or my loan balance exceeds \$15,000, my Repayment Period may continue for no more than 180 months.
- Statement Period** - The above signed borrower will receive statements on my loan at the address shown on your records (see paragraph L. Notices). The period of time covered by a statement is called a "Statement Period". During the Interim Period I will receive quarterly interest statements on my loan covering Statement Periods beginning on the first day of each January, April, July and October. During the Repayment Period I will receive monthly statements on my loan. The monthly statements will cover Statement Periods beginning on the first day of the Repayment Period and on the same day of each following month.

E. INTEREST

- Accrual of Interest** - Interest will accrue from the date of disbursement until payment in full at the Variable Rate described in paragraph E.2. below.
- Variable Rate** - During the Interim Period, the Variable Rate is the annual rate equal to 3.25% plus the Current Index, rounded to the nearest one-eighth (.125) of 1%. During the Repayment Period, the Variable Rate is the annual rate equal to either 3.25% or 3.4% (depending on my school), plus the Current Index rounded to the nearest one-eighth (.125) of one percent. The Variable Rate will change quarterly on the first day of each January, April, July and October (the "Change Dates") at the Current Index changes. The "Current Index" for any calendar quarter begins on a Change Date (or for any shorter period beginning on a disbursement date and ending on the last Change Date) is the previous calendar quarter's average of the index rounded to the nearest one-hundredth (.01) of 1%. The index is the rate published weekly in the Wall Street Journal, Credit Markets' section, in the table that quotes the result as the "board equivalent" rate, or the most recent auction of the 13-Week U.S. Treasury Bills. If the index is no longer available, you will choose a comparable substitute. In no event will the variable rate exceed the maximum rate allowed by law.

F. TERMS OF REPAYMENT

- Interim Period** - I am not required to make payments during the Interim Period. You will add unpaid accrued interest to the principal balance of the loan at the commencement of the Repayment Period.
- Repayment Period Statements** - I will make consecutive monthly payments during the Repayment Period in the amounts and on or before the payment due dates shown on my monthly statements until I have paid all of the principal and interest and any other charges I may owe under this Note.
- Standard Repayment Terms** - Subject to the terms of paragraph F.4., I will repay my loan in consecutive monthly installments of principal and interest calculated to equal the amount necessary to amortize the unpaid principal and interest at the Variable Rate then in effect over the number of months remaining in the Repayment Period with the payment amounts changing as follows: (a) If I have an outstanding loan under the MBA LOANS program for a loan period beginning prior to July 1, 1997, my payment amount will change each Change Date, or (b) If I do not have any such loan, my payment amount will change in the month following the month of each Change Date.
- Graduated Repayment Option** - I may choose a graduated repayment option if I consent to this option, I will initial you in writing.
- Amount Owed at the End of the Repayment Period** - Since interest accrues daily upon the unpaid principal balance of my loan, if I make payments after my payment due dates, I may owe additional principal and interest and late charges at the end of the Repayment Period. In such case, I shall pay the additional amounts and you will increase the amount of my last monthly payment to the amount necessary to repay my loan in full.
- Minimum Repayment** - Notwithstanding paragraphs F.3. and F.4., I agree to pay at least \$60.00 each (excluding any dealer interest) or the unpaid balance, whichever is less.
- Payments** - If I have an outstanding loan under the MBA LOANS program for a loan period beginning prior to July 1, 1997, my payments will be applied first to accrued interest, then to principal, and the remainder to late charges. If I do not have any such loan, my payments will be applied first to late charges, then to accrued interest and the remainder is principal.

G. LATE CHARGES

I will pay a late charge if I fail to make any part of an installment payment within 15 days after it becomes due. A late charge may not exceed \$3.00 or 5% of the installment, whichever amount is greater.

H. INSURANCE PREMIUM

- Insurance Premium** - You will charge me and I will pay an amount equal to the insurance premium which you will pay to the MAR Insurance Corporation of America ("ICA"). The premium will be equal to 6% of the Loan Amount Requested (if the credit is approved, if I do not have a cosigner, I will also pay an additional 3% or 4% depending on my school) of my loan balance

(principal plus capitalized interest) at the beginning of the Repayment Period, and this may be adjusted to no more than 7%, at the insurer's discretion, based upon performance of other borrowers under loans insured by the insurer and as permitted by law, upon the approval of the applicable insurance commissioner.

2. Deducted from Disbursements - At the time you issue any disbursement, you will deduct 6%, an amount equal to the insurance premium, from the disbursement. I will not be entitled to any reimbursement of the premium after I cash my disbursement check, or if funds are transmitted electronically, 60 days after the funds are disbursed to my school.

3. Added to the Principal - If I do not have a cosigner, I will pay you an additional 3% or 4% as described above in paragraph H.1. either throughout the Repayment Period or upon an event described in paragraph J. below, whichever is earlier. This amount will be added to my loan balance at the beginning of the Repayment Period and will be identified on my Disclosure Statement.

I. RIGHT TO PREPAY

I have the right to prepay all or any part of my loan at any time without penalty.

J. WHOLE LOAN DUE

The whole outstanding principal balance, accrued interest, and all other amounts payable to you under this Note are due and payable at once and you will cease to make any further disbursements to me.

- I fail to make any monthly payment to you when due ("default"); or
- Any payment has not reached you within 30 days after it is due; or
- I fail to notify you of any change in my name, address, telephone number, school enrollment status, or the change in the status of the cosigner (i.e., death, total disability or bankruptcy) within 10 days after a change occurs;
- I break any of my other promises in this Note; or
- Any bankruptcy proceeding is begun by or against me, or I assign any of my assets for the benefit of my creditors; or
- I make any false written statement in applying for this loan or at any time during the Interim or Repayment Periods; or
- I die or the cosigner dies; or
- I am in default on any loan I may already have with you, or on any loans I may have with you in the future.

Following any of the above events, you will have all rights the law allows, including the right to give me notice that the whole outstanding principal balance, accrued interest, and all other amounts payable to you under this Promissory Note, are due and payable immediately. My failure to receive a copy book or a statement does not relieve me of my responsibility and obligation of making my required loan payments in accordance with the terms of this Note. You may report my payment history to credit reporting agencies. If any of the listed items occurs, I will be required to pay interest on this loan accruing afterwards at the same rate of interest applicable to this loan prior to such event. The interest rate will be subject to adjustment in the same manner as before.

K. COLLECTION COSTS

I agree to pay you collection costs permitted by law, including attorneys' fees and court costs, which you incur in enforcing the terms of this Note if I am in default.

L. NOTICES
